

Resident Services, Inc. Pet Policy

Revised 2/27/07

Your pet is an important part of your family, and we want you to value and enjoy your apartment home as though you own it. In keeping with this philosophy, we have adopted a limited pet policy that takes into account the important contributions pets make to the lives of responsible people who value and appreciate animals. At the same time, we recognize there are people who wish to avoid contact with pets and other animals. Our pet policy is designed to protect both pet owners and non-pet owners and ensure that the animals themselves receive responsible care.
